

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view. The top view shows a rectangular base with a width of 20 mm and a depth of 14 mm. A vertical plate of width 3 mm is attached to the base. The side view shows the vertical plate has a height of 15 mm and a thickness of 5 mm. The base has a height of 3 mm. The drawing uses standard engineering notation, with solid lines for visible edges and dashed lines for hidden internal features.

Technical drawing of a stepped shaft. The shaft has a total length of 20 units. It features a central section with a diameter of Ø9 and a length of 15 units. The outer diameter of the shaft is Ø5. The drawing shows a cross-section of the shaft with a central hole of diameter Ø9 and a total length of 20 units. The central section has a diameter of Ø9 and a length of 15 units. The outer diameter of the shaft is Ø5.
